Coffee Booth Volunteers:

- Okay Gang, it is time to start a list of volunteers for the Coffee Booth at the national. I have been in contact with Rally Chairperson Sue Manke and there seems to be a little confusion on where the supplies will come from. My take is we may be the ones to get the supplies on

Tuesday prior to the Rally. My guess is we will need 5 or 6 people on Tuesday and Wednesday to get supplies and set up the pots, test the equipment and power and recipes for making coffee. Then each of the four mornings it will require about 6 people to keep things rolling. Our service time is from 6-10 am. According to the past comments from clubs we need to start at least by 5:30 to get things going. Anyone wishing to volunteer and time available please get in contact with me or post it to the forum. I did ask Sue about supplying the whiskey for those asking for Irish Coffee.

by my motorcycling peers in this way and seeing so many people there reminded me that I am surrounded by many good people in the Green Bay and Badger clubs. Thanks to those who baked all the goodies--too bad there was no coffee to go with them!! I've purchased a new alarm clock that is guaranteed to get me up at 0330 so I am on coffee duty by 0400 on July 12th. Meanwhile, I will be checking my six-o'clock before "selecting" my seat.....

Commitments made for 2007 ride and event leadership:

June Ride

• On Saturday June 30th we will meet at 9:00 AM at the gas station in Greenville (intersection of Hwys 76 & 15). At 9:30 AM we will leave and head north on a route that will eventually take us to Marshfield and the Fox Fire Botanical Gardens. The ride to the gardens will take about 2 1/2 hours. I will stop once on the way for a break and gas. The next stop after the break will be at the gardens. Admission is free, unless we decide to take a guided tour for a small fee.

After the gardens, we will eat lunch at Culvers on the north side of Marshfield. After lunch you are free to take the route of your choice back
